How Will We Get Out of This Mess?
A Look at Today's Economic Crisis

Mergers, takeovers, rescues and bankruptcies ... the U.S. financial system is getting its biggest makeover since the 1930s. What caused today's crisis? When will it end? How will it affect the nation's economy in 2009? Russell Goldsmith, CEO of City National Bank, the largest bank headquartered in Southern California, will share his thoughts on these questions.

Mr. Goldsmith also serves on the Federal Reserve Board's 12-member Federal Advisory Council, representing the Twelfth Federal Reserve District.
