**Businessperson of the Year**

"In a year that rocked the economy, upended the financial system and destroyed some of the legends of Wall Street, few saw their stars rise higher than Mohamed El-Erian's. He made a triumphant return to Newport Beach's Pacific Investment Management Co. (PIMCO) in 2008, emerging as heir apparent to the massive bond fund empire. His book, "When Markets Collide: Investment Strategies for the Age of Global Economic Change," won the 2008...Business Book of the Year award. His return to PIMCO at a dynamic time for the bond fund manager earned El-Erian the *Orange County Business Journal's* Businessperson of the Year honor for 2008." – *Orange County Business Journal* 1-5-2009
