## Orange County Community Indicators Report

*The 2007 Report Card for Orange County*

What are the major challenges and opportunities facing Orange County in 2007? How does Orange County compare to its economic competitors? Answering the call to once again help us analyze the findings of the annual *Orange County Community Indicators Report*, we look forward to hearing from two popular experts in matters of the state's economy, infrastructure, and finance – Steve PonTell and Phil Isenberg – as well as Orange County Business Council President, Lucy Dunn, in a panel discussion with Orange County Board of Supervisors Chairman, Chris Norby, as the 2007 *Orange County Indicators Report* is unveiled. Each attendee will receive a copy of the new publication, which has earned its status as the annual report card for Orange County.
