Attorney General

Edmund G. Brown, Jr.

State of California – Department of Justice

Wednesday, October 15, 2008

11:30 a.m. Reception Noon Lunch

Hyatt Regency Irvine

17900 Jamboree Boulevard – Irvine, CA

Attorney General Edmund G. "Jerry" Brown, Jr. was elected statewide to serve as the chief law officer of California. The Attorney General represents the people of California in civil and criminal matters before trial, appellate, and the supreme courts of California and the United States. He also serves as legal counsel to state officers and, with few exceptions, to state agencies, boards and commissions. The A.G. also assists district attorneys, local law enforcement, and federal and international criminal justice agencies in the administration of justice. To support California's law enforcement community, the A.G. coordinates statewide narcotics enforcement efforts, participates in criminal investigations and provides forensic science services, identification and information services and telecommunication support. In addition, the A.G. establishes and operates programs to protect Californians from fraudulent, unfair, and illegal activities that victimize consumers or threaten public safety, and enforces laws that safeguard the environment and natural resources. It is the duty of the Attorney General to see that the laws of the state are uniformly and adequately enforced, carrying out responsibilities of the office through the California Department of Justice.
